FRONTEND DEVELOPER —

Portfolio Link: <https://anurag-pokefolio.netlify.app/>

SKILLS

React.js , Javascript , Html , Css, Tailwind , Firebase, Git , UI

PROJECTS

Star-Merchs

Tech Stack - React.js, React-router, React-redux-toolkit, Tailwind CSS, Firebase

- A Star-Wars themed E-commerce website with protected routes for Admin and normal users.
- Admins can add, edit, and delete products with CRUD operations. Users can view products with features like add to cart, etc.
- A log of users and products is displayed in the Dashboard tab, accessible only with Admin login.
